Sir:

In the above identified application, an Assertion of Small Entity Status along with an Amendment, Amendment Transmittal and Petition for Extension of Time was filed on January 25, 2008. Regarding our January 25 Amendment, we attach our Check No. 202681 in the amount of \$270.00 for the difference in entity size for payment of two extra independent claims (additional \$210) and a one month extension of time (additional \$60). We believe that the attached check covers all charges for fees in this matter at the large entity rate. However, if any other charges are necessary, the Commissioner is hereby authorized to charge any additional fee or credit any overpayment associated with this communication to
